#Summary

Self-taught Full-Stack Web Developer driven by a passion for technology and its potential to shape the future. Through hands-on, project-based learning, I have independently developed expertise in front-end and back-end technologies, showcasing my ability to build fully functional web applications from scratch. Motivated by a desire to contribute to the digital world, I am dedicated to creating innovative, user-friendly solutions and continuously refining my skills.

#Skills

Front-End	Back End	Source Control	Frameworks
JavaScript ES6 / jQuery	Node / NPM	Git (Git Flow)	React / Redux
Typescript	REST API / Express	GitHub	Next.js
CSS	JSON		Bootstrap
HTML	MySQL		Tailwind CSS

#Personal Projects

Project 1: Bright Coffee Landing Page

- **Tools Used:** Next.js, Tailwind CSS
- **Description:** This visually appealing landing page is designed for Bright Coffee Exporting PLC, highlighting their premium coffee beans, sustainable practices, and global reach. The page combines a modern layout with engaging content to provide an informative and attractive user experience.
- **Visit:** [Live Site](#)

Project 2: Adika Youth Academy Website

- **Tools Used:** Next.js, Tailwind CSS

- **Description:**
I developed the Adika Youth Academy website to provide users with easy access to information about the academy and its mission. The website was built using Next.js for optimized performance and SEO, ensuring fast load times and great user experience. Tailwind CSS was used for styling, providing a modern and responsive design. The website is easy to navigate and all crafted with an intuitive interface to engage visitors.
- **Visit:** [Live Site](#)

Project 3: AdeyNet Social Media Platform

- **Tools Used:** React, Firebase, Redux, Tailwind CSS
- **Description:** AdeyNet is a social media platform designed for connection and interaction through posts, comments, and real-time messaging. Built with React for a responsive interface, Firebase for backend services, and Redux for efficient state management, it provides a user-friendly space for sharing and staying connected.
